## Quick Rules:

- Honor System! We are raising money for people who live and die by a code of honor. Please use honesty.
- **Catch and Release Only!!**
- Where can you fish: Anywhere wild striped bass are caught in the Northeast. Any time, any where.
- Single Angler: Have your camera ready – no surprise, the object here is a quick C&R so the camera should be ready to go – be sure to have date and time enabled in the photo.
- Teams: When fishing with others, one person NOT catching the fish records the fish for the person catching the fish. 1 Fish, 1 Point. The object is a quick turnaround getting the fish back in the water. For a rare moment in your life, size doesn't matter .
- Points will increase chance for prize but do not guarantee prize.
- Kids: Under 18 are free when fishing with an adult partner. Kids will have a chance for prizes as well.
- We will have a daily tally and a final tally online at FishForSoldiers.com and/or S-B. Best Kid Photo won't hurt.

***Any questions or interpretations of the rules will be by John & Greg. This is a to be a C&R Tourney Supporting a great cause and rules will be interpreted that way.***
